are looking forward to seeing you

Lars Klokkedal
President ESBC Denmark

Dear Bowling Friends.

In 2006 we had the pleasure to welcome the European Senior Bowling Championships in Copenhagen.

In two years time, we hope we can do it again.

The people who will plan and carry out the tournament are all bowling players themselves with experience in similar events.

Therefore, you make the right choice when you choose Copenhagen as host of the 25th Europeans Senior Bowling Championships 2016.
